## ABOUT THE SOCIETY

### Who we are

Ledbury Art Society is a group of amateur and semi-professional artists who live and work in and around Ledbury. The group meets in the Holy Trinity Church Hall, New Street, at 9.45 am on the first Tuesday of every month between September and May.

### What we do

- We enjoy a programme of demonstrations and talks by professional artists and those connected with the art world.
- We arrange visits to exhibitions
- We hold whole day painting workshops in various mediums, led by tutors expert in their field.
- On the third Wednesday afternoon each month a group get together to paint and draw in an informal session at Holy Trinity Hall, for £2.50 per session. All members are welcome.
- Each Spring we hold our annual Art Exhibition at the Burgage Hall in Ledbury where members of the public are invited to both view and purchase our work.
- In the Summer, we organise outdoor painting days at a variety of locations.

- We are developing a gallery on our website to demonstrate the wide range of art produced by our members, including wood and glass artefacts.
- We are always keen to recruit new members, and whether you are an experienced artist or a complete beginner, or would just like to join us for our winter programme, you can be sure of a warm welcome.
